

PROJECT OVERVIEW

Marek Location

[Harlingen](#)

Project Location

Edinburg

Project Sector

Retail

Services

Metal Framing & Gypsum Assemblies

Architect

Boultinghouse Simpson Gates

General Contractor

D. Wilson Construction Company

Construction began in January 2021 on the ten-acre tract of land in Edinburg, Texas that is the new home of the Bert Ogden Cadillac dealership. The new dealership exclusively built for Cadillac and offers panoramic views and easy access from South 281.

D. Wilson Construction Company awarded MAREK the contract to complete the drywall and finishing throughout the state of the art 30,000 sq ft facility.
