
CIRCUIT OF THE AMERICAS GRANDSTAND

PROJECT OVERVIEW

Marek Location: Austin

Project Location: Austin, TX

Project Sector: Sports/Leisure

Architect: HKS
Inc.

General Contractor: Austin Commercial

Marek constructed the Main Grandstand at the Circuit of the Americas facility for Austin Commercial. The unique design of the lobby, lounge, and suites, includes intricate drywall construction of multi-layer walls, an array of reveal throughout and impressive radius gypsum ceilings. In addition, the special acoustical ceilings provided a crisp look with unprecedented performance and is very functional. The quality workmanship by our craftsmen is evident in this spectacular facility.
