

MAREK SERVICES HIGHLIGHTED IN INTERIOR OFFICE REMODELING PROJECT

Posted by Marek Brothers on September 13, 2013

ConstructionCitizen.com toured a project in Houston , Texas, where Marek teamed with a designer as well as the project owner to provide turnkey high-end office interior finish-out services. Marek's scope of products and services provided included drywall, acoustical, Novawall, Eurospan, Mechoshades, tape and float, paint, wall coverings, demountable glass partitions, doors, frames and hardware. This article shows work-in-progress as well as finished work and includes video and plenty of pictures of the interiors.
